 **SPEAKERS for April 2, 2019 Meeting— NEIGHBORHOOD WATCH AND OTHER WAYS TO MAKE OUR COMMUNITY SAFER. Please plan to attend.** This will be a very informative and interesting meeting. Our 2 speakers are well informed and experienced helping communities. Your attendance is important to you, your family, and the well being of the neighborhood.

Thanks to all of you who continue to make our neighborhood a desirable place to live— well maintained homes, helpful neighbors, and supporting your civic association. Every homeowner has a vested interest in our subdivision, so I know you will continue to support our efforts.

If you have not paid your 2019 dues, please do. All of our officers and board members are voluntary, so your dollars go to help the community—following up deed restriction violations, providing a central monthly forum for addressing problems and solutions for the subdivision, and meeting your neighbors. See you Tuesday

From Cheryl Williamson,
Secretary-Treasurer,
Letter to FHECA

It has been my great honor to serve as Secretary/Treasurer for the Forest Hills East Civic Association. The April meeting will be my last as an officer. I wish my replacement the very best. It has been an interesting journey, and I have made many friends.

Cheryl

I know you join me in thanking Cheryl for her many years of service to FHECA. Her insight, clear thinking, concern for and willingness to help others, sense of humor, and support will be greatly missed.

Everyone on the FHECA Board works very hard to keep our Subdivision/Community well maintained and attractive. This is a goal I know we all share.

(If you are unable to attend all meetings, we still need your dues. We still do not have a viable solution for upkeep of the entrance—the first impression of our subdivision.)
Volunteers are needed to collect 2019 dues, if you can help, even in a limited way, contact us, please.

LIGHTING THE NEIGHBORHOOD

**Many thanks to everyone who is
lighting up neighborhood!!**

Continue to help light up our neighborhood by keeping your outside garage (not porch) lights turned on from dusk until dawn. If you are not doing this now, please join us. It is amazing how much more this “lights up our streets”, making a safer environment for all. If you notice a really dark area on your street ask your neighbor to join in lighting up the area or contact me.

Continue to lock the vehicles in your driveway, even though no more burglaries have been reported. It's just a good habit.

You can report problems by calling the Sheriff's office at **800-706-2488 anonymously**. **If you have reported suspicious activity before, do it again. If reporting stops, it will be assumed the problem has been solved.** I was told by a Local Sheriff's deputy this is important and may be the reason some of our biggest concerns have not been eliminated.

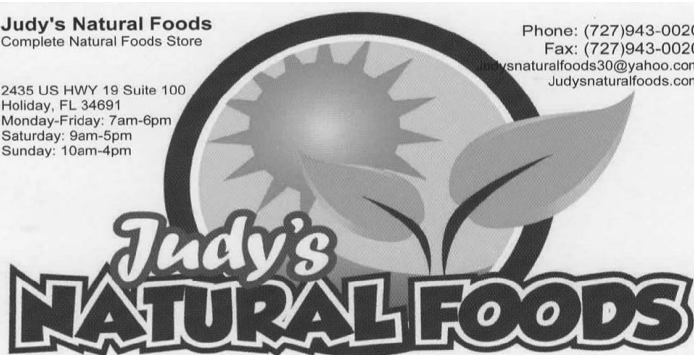

Call **727-847-8102** for non-emergency issues and remember these are answered on a priority basis.

Child and Elder Abuse can be reported to a new number confidentially: **800-962-2873**.
