## President's Message

Hi to all in Forest Hills East. At our meeting last month I announced that I would no longer be acting as president in our community. I, along with others, have pushed the county and many other agencies to get things done over the past six years. I found out two days ago that we all have pavement assessments on our property. I was told in the sum of \$1525.25 so bills and letters will be out soon. I feel good knowing I had a big part in getting our roads approved and helping many homeowners over the years that I was in office. I've made some very good friends in our community and will miss helping them take care of FHE. But as we all know time changes things and neighborhoods change. FHE needs support and needs new home owners to stand up and help in maintaining what we you have. Our community is a nice one and can only be nicer. Ask your friends, neighbors and even renters that take pride in being in FHE to help out and be proud of FHE. I would like to thank William Wilburn, Richard and Donna Marx, Stanley Moretz Cheryl Williamson, Lee and Suzi and many, many others for being great friends and being the best neighbors we could of ever ask for. As I told Lee and Suzi, our address is changing, but we will still be around visiting. I would also like to thank all of you who took pride and take pride in your homes. Being president was, at times, a difficult job with no benefits other than knowing how nice we have kept FHE. Thank you all for letting me be your president. I've enjoyed doing what I do—helping others to have a community we can be proud of now and going forward.

God Bless and Happy Holidays to all of you.

**Gary Meredith**  
**President FHECA**

## ***Christi & Gary Meredith—Best Neighbors Ever***

Richard and I were lucky enough to move next door to Christi and Gary in 2008. We could not ask for better neighbors—always ready to help, to talk, bring food, invite us over plus Christi Would let me come visit her (and enjoy her Spotless house, when I got tired of looking at my messy one!) We, like many others in our community, will really miss them! I am just thankful to have had them for neighbors and to know they will still be nearby, and are not moving North!

Please come to the Open House and let them know how much you appreciate them—Tuesday, December 1 .  
6:30 to 8:00
