We are having our first Association meeting for 2021 on Tuesday March 2, 2021 at a new location:

St. Vincent de Paul Catholic church at 4843 Mile Stretch Drive, Holiday. Meeting time is 7 p.m. to 9 p.m. in the classroom buildings located behind the church's pond. We will be nominating and electing all Board members and Officers. Discussing topics that involve the community, like the recent land sale, review the 2020 Year End financials for the association, discuss Deed Restrictions and code restrictions, condition of the lake and what has been done and needs to be done to keep it healthy. Additionally other topics that should be of general interest to all of us, plus those questions raised by our members. Please come and join us, and remember to bring and wear masks while inside the building.

The land at the end of Berry Hill Road and corner of Sugarbush, known locally as "the peninsula" also "the Island", has been sold. As of this writing we do not know their full intentions for development, but initially we have been told it will be townhouses. Whatever it may be it will have an impact on our community. Eventually residential traffic into and out of our community will increase, and initially construction traffic and all that comes with property clearing and new home construction will last for months. Whether this is good or bad, that will be determined by those who are impacted.

One of the questions we are asked is "what does the Board and membership do for us?" I would like to reverse the question and ask you, "What have you done for the Forest Hills Community, and what are you willing to do to keep our community safe and property values up?"

Only paid members are able to vote on community wide topics and nominate and elect the FHECA Board that will seek to enact and enforce those measures that are approved by its members. Annual dues are \$30 per household. Please make your check payable to FHECA.

Everyone, please be safe out there, and to those who have elderly or infirmed neighbors, check up on them, we are all in this together and to make it, we need to care for and about each other.
