Dear fellow members,

First, I want to thank everyone for the confidence you have in me becoming president, and I need that to continue.

My concerns for the coming year are - getting everyone to get to know your neighbors, their routines, assisting them if you can, not just the ones beside you but the ones across the street. Be sociable and friendly. If there is something on their property that you feel is wrong, don't be nit-picky.

Deed restrictions.. Some folks seem to think they are exempt from abiding by the rules we **ALL** have to live by. The neighborhood looks better now than it did 5 years ago and can and should be kept up.

Everyone is responsible for maintaining the image of a place where we are proud to live. I want to hear other people's ideas on how we can get this to happen.

I would like to see more people participating in the meetings. It's hard when we, as officers, and board members, feel as if we are preaching to the choir. Bring your ideas up, get others feelings about the things that would make our community better for all of us.

Please feel free to contact officers and board members. Everyone is involved in this community, so everyone should participate. Hope to see everyone at the next meeting on **January 14, 2020**.

Remember to bring your neighbor and your dues.

Stan Moretz, President
