DIRECTORS:

Millie Olsen	
William Wilbern	814-701-9139
Don Demeurers	315-491-6235
Robert Wunderlich	
Richard Orsi	

Dear fellow members and residents,

2020 has been a difficult year for many of us. It is our hope and wishes that you have been able to deal with the issues you have been faced with. Because of the restrictions we have had in holding our monthly general meetings, we had to suspend them. We will notify you as soon as we have a firm date and location for our first 2021 association general meeting.

The Board of Directors recently held a meeting to discuss the future of FHECA and our goals. Please be assured, it is our intention to keep your Board active in our community and to do our best to serve the needs of Forest Hills East. Most of the Officers and Directors from 2020 have agreed to continue with their roles until we can hold a formal association wide meeting to conduct a nomination and election. Anyone interested in serving on the Board or to assist the Board is welcome to submit their name to Mary Thompson. The Board is holding its next meeting on February 16, 2021. Please contact Mary Thompson if you wish to attend. Although this is not a general FHECA meeting, residents are invited to be present, and will be given an opportunity to speak.

What does the FHECA Board do for the community? Well, we see our role is ensuring the deed restriction set in our charter are followed, and assist the County in enforcing code compliance. The Board was directly responsible in having the County repave our roads, working with the state in managing the lake and controlling an invasive aquatic weed infestation that would have had serious impact on the quality of the water and possible environmental disaster with the loss of aquatic life in the lake.

All this is intended to keep property values up. We can't do this without your financial support by members paying the annual dues of \$30. For more information about the FHECA, or get a copy of the deed restrictions, visit www.ForestHillsEast.com.

Everyone, please be safe out there, and to those who have elderly or infirmed neighbors, check up on them, we are all in this together and to make it we need to care for and about each other.

A BIG Thanks to the person or persons who cleaned up the entrance landscape.
