President's Message

May is here with warmer weather and High School/College Graduations, along with the end of school in early June.

Everyone needs to be more careful since our children will soon be out and about on our streets. Hopefully this is the summer of our street re-placements, so there is even more reason to keep your speed down and be more cautious.

Even though our meetings do not resume until September, we will still be working to better our community. Bill and Stan will continue to take care of deed restrictions, and Cheryl will continue to carry out her duties as secretary-treasurer. Rich and I will be sprucing up the entrance in the next couple of weeks. The last newsletter until September will be in June.

Thanks to the majority of our residents who do a great job maintaining their properties. Remember if you have a problem with your property, please contact us, and we will work with you.

Since we have a few houses for sale, some of us will soon have new neighbors. Remember to make a special effort to welcome our new residents to the community!

As you will notice below, we are still collecting dues for 2016, so please mail or hand deliver your dues if you have not paid. Your dues help fund improvements for your community and keep the Association viable.

Some of our residents will be returning to their Northern homes soon. We wish them a safe trip and will look forward to their return in the Fall. A special thanks to Dave and Bob for their Mariposa cleanups.

Happy Summer!

Donna Marx, President

Community News

Sun West Park, Pasco's newest, is located at: 17362 Old Dixie Hwy., Hudson, Fl Phone: 727-569-6472

Open: 10:00 AM till Sunset.

At last, we have a white sand beach! This new water-front park is on a 70-acre Spring fed lake with white sand beaches. There are water sports, several volleyball courts, and other amenities. Although there are **No Lifeguards**, the water appears very shallow close to shore, perfect for smaller children. There is a \$5.00 parking fee for all cars. We are really looking forward to taking the Grands (grandkids) over the summer.

From our subdivision taking US Hwy 19N, it is approximately 18 miles to the left turn on Old Dixie Highway in Hudson, about 30 minutes drive. (Remember if you pass Little Road, you have gone to far on US 19N, and you need to turn around.)

Water Restrictions

I think we can expect to remain under water restrictions. You can find your watering date or dates depending on your water source on the Pasco County website, but here are the restrictions:

Potable Water (Regular for home usage)-one day a week;

Reclaimed Water-2 days per week;

Wells and Lakes-1 day per week.

All watering times are from 12:01 am to 8 am and 6pm to 11:59 pm. (Better for you, as watering in daytime decreases the amount of water that is absorbed by your lawn and plants.)

Exceptions for all Watering Sources-

New Lawn or plant areas (only) may be Watered for a 60-day total establishment Period as follows:

From day 1 to day 30, may be watered any day of the week;

From day 31 to day 60, may be Watered 3 days per week;

After 60 days, resume regular Schedule.

Day one begins on the day of installation,

seeding, or planting, and the watering times are the same as regular watering.

If you are using reclaimed, well, or lake water, be sure to avoid hitting your house or cars (as well as your neighbors), this water does cause staining.

The National Arbor Day Foundation provides millions of free trees for planting. Florida gives away 10,000 trees in January, so if you want a free tree sign up at:

arborday.org@FloridaTrees

If you have information about our community and area you would like to share, please E-mail me at dkmarx@gmail.com.

DEED RESTRICTIONS

I would just like to remind our residents that driveways cannot be used to store boats, trailers, tents, or recreational vehicles. These items must be stored behind fencing in the back of your lot or in your garage. However, if you have a special short term situation, please contact Bill and Stan to discuss your issue. They will listen and find a solution if at all possible.

(We are lucky to have a storage facility close by on Grand.)

RE: Swimming Pools

Pasco County Code Enforcement will be checking for any swimming pools that are not being properly maintained, making them excellent breeding grounds for mosquitoes. Please be sure your pool is in compliance and has not become a mosquito nursery.

Advertising — Please consider placing an ad in our newsletter for your business. I was asked about yard maintenance recently and did not know of anyone in our Subdivision. If you are an advertiser, please mail your renewal amount.

Pasco County Agencies:

Although we at FHECA are willing to help all our members, many issues must be resolved by the Pasco County Sheriff's office or other Pasco

County agencies.

For noise violations, suspicious activity, trespassing problems, or other violations, call the Sheriff's Office at 727-844-7711 for the quickest response.

Recipe of the Month

This should be a good, healthy recipe for the summer. I would have to leave out the raisins on part of the batch for the Grands.

No Bake Breakfast Cookie

- 1/2 cup honey or light corn syrup
- 1/2 cup non-fat dry milk (instant)
- 1/2 cup raisins (or chopped dates)
- 1/2 cup creamy Peanut Butter
- 2 1/2 cups flaked cereal (coarsely crushed) (corn flakes should work great)

1. Heat honey and peanut butter in a Medium sauce pan over low heat. Stir till blended.
2. Remove from heat. Stir in dry milk.
3. Fold in cereal and raisins. Drop by heaping tablespoons onto waxed paper to form mounds.
4. Cool to room temperature. Store in Refrigerator.

Makes 24 cookies.

Please bring your favorite recipe or recipes to the monthly meeting or e-mail to me at dkmarx@gmail.com.
