## President's Message

Hello to all.

The roads have been our concern for the last three years. I have spoken to Pasco County. They will be repairing potholes with paving patches on Cosmos, Bittersweet and Catskill where potholes are really deep. They have committed to keep the potholes repaired until our new streets are done.

On Tumbleweed, we have a foreclosed home the association is maintaining until the bank maintenance contract takes effect. It's cost us \$135.00 so far, but when the bank takes over we do get our money back. I, along with others, do a complete follow up on foreclosed homes.

Please keep your yards in order and try to help any elderly in our community if they need help. The board and others have helped many over the past few years with home and yard maintenance. We have had to report another home to the County and send to our attorney. This is only done after repeated attempts to correct the problems.

Veterans Day is coming so fly your flags high. I myself am a veteran from the Army 25th Infantry Division.

**Garage sale on November 7th**, so get your good stuff and not so good stuff out. Hopefully, **many** will have a sale. We will post the community sale sign at entrance one week prior to sale. Good luck on the sale and hope to see you at the November meeting

**Gary Meredith**  
**President FHECA**

## **STREET PAVING**

***Effrain Figueroa (aka Fig), Pasco County, spoke on October 6th to explain the work necessary before paving begins. Part of the hold up on our streets is a result of the change in how our underground pipes will be repaired. Instead of all pipes being replaced, they will be relined. This is a less invasive repair, but due to the type of mate-***

***rial used in the original pipes, relining can be used and should last over 50 years. Along with the pipes, the conflict boxes must be replaced. When this work is complete, the actual paving can begin. Mr. Fig is not involved in the paving, only the preparation of the pipes and drains.***

***Our thanks to Mr. Fig and especially to Stan Moretz for arranging the presentation.***

## **Garage Sale**

***November 7, 2015 beginning at 8 AM! Please plan to participate!***

## **New Recycling Rules:**

***Rachelle Dobbs, Pasco County Project Coordinator/Recycling and Education, was our second speaker October 6th. She spoke about the new recycling rules:***

- 1. You need a dedicated trash can/container for your recyclables***
- 2. You will need a recycling sticker on your designated trash can/container***
- 3. You can recycle aluminum cans, metal food cans, Clear, Green, or Brown glass containers, plastic bottles and containers with numbers 1, 2, 3, 4, 5 and 7.***

***If you need recycling stickers contact Rachelle at 727-856-4539 or Progressive Waste Solutions 727-847-9100 or 727-849-3333. Also, contact Progressive for pick up days.***

## **Recycling Paper:**

Remember when you recycle news paper, boxes, cardboard, old magazines and paper bags, you can also recycle envelopes, junk mail, and any paper than can be torn. If you are like us, we get a lot of junk mail. Just tear off your name/address and recycle everything else. It is an amazing amount of paper!

## Recipe of the Month

**Help, Help. Help!** Please bring one (or many) of your favorite recipes to the meeting on Tuesday, e-mail to me ([dkmarx@gmail.com](mailto:dkmarx@gmail.com)), or drop off at my home.

### No Bake Cookie Cheesecake

Crust-

- 24 chocolate cream cookies
- 1/3 cup butter, melted

Filling-

- 8 oz cream cheese, softened
- 1/4 cup butter, softened
- 1/4 cup sugar
- 1 Tbsp. vanilla extract
- 1 cup semisweet chocolate chips
- 8 oz heavy whipping cream

Crush cookies into crumbs—either in a food processor, or seal in a bag and hit with a rolling pin. Mix cookie crumbs with butter, and press into a pie dish. Refrigerate for 30 min. Meanwhile, in a bowl, beat the heavy whipping cream until it forms stiff peaks when you remove the beaters. In a separate bowl, beat cream cheese, butter, sugar, and vanilla until there are no lumps. Melt the chocolate chips in the microwave in 30 second intervals until smooth, and add to the mixture. Fold in the whipped cream, and spoon into the pie crust. Decorate however you want (we used chocolate syrup and piped whipped cream), and freeze for 30 minutes. 30 minutes.

Thank to Christi Meredith for this recipe! It will be great for the coming holiday season.

Thanksgiving—Remember to **share** your bounty with those less fortunate, **everyone will be Blessed!**
