Remember— Community Yard Sale Saturday, November 9th, 2019.

It is wonderful to enjoy the cooler mornings that give us hope summer is almost over. What a great time to tackle the outdoor jobs we've been putting off and get ready for the Holidays. Rich and I have numerous projects.

There are many important issues to be covered this meeting—clarification of some deed restriction, nominations for officers and board members for 2020, our annual Christmas/Holiday Open house, membership goals, upkeep of the entrance, and animal control. Ideas and participation for all these activities are needed.

We will be collecting dues for 2020 now, along with e-mail addresses to facilitate newsletter delivery. It will help us reduce the cost of printing the newsletter, and the time it takes to hand deliver each month. Since almost everyone has access to e-mail, it will be a win-win.

There have been more sightings of coyotes in the neighborhood. Remember, you should not be feeding these animals and should make sure your garbage cans are secure. Also, many people are feeding the cats on Berry Hill, and because there is excess food, other animals are attracted to the area. As long as there is an ample food supply, these numbers will increase. More feral cats and raccoons mean more coyotes. It is a natural progression. Please do not feed the feral cats, raccoons, or coyotes!

If you see suspicious activity in the neighborhood, call 911. The Sheriff's office responding will be the best possible deterrent and let others know residents are watching and aware.

In January 2020, the association will have new offices and some new board members. With this, will come new inputs and ideas all aimed at improving our subdivision, promoting our community, and keeping Forrest Hills East a desirable place to live. Add your ideas, meet your neighbors, and support your community.

See you at the meeting on Tuesday, Nov. 5th.

Donna Marx

LIGHTING THE NEIGHBORHOOD

Many thanks to everyone who is lighting up our neighborhood!!

Continue to help light up our neighborhood by keeping your outside garage (not porch) lights turned on from dusk until dawn. If you are not doing this now, please join us. It is amazing how much more this "lights up our streets", making a safer environment for all. If you notice a really dark area on your street ask your neighbor to

join in lighting up the area or contact me. I have noticed more and more garage lights on in area Neighborhoods.

Continue to lock the vehicles in your driveway, even though no more burglaries have been reported. It's just a good habit.

You can report problems by calling the Sheriff's office at **800-706-2488 anonymously**. **If you have reported suspicious activity before, do it again. If reporting stops, it will be assumed the problem has been solved.** I was told by a Local Sheriff's deputy this is important and may be the reason some of our biggest concerns have not been eliminated.

Call **727-847-8102** for non-emergency issues and remember these are answered on a priority basis.

Child and Elder Abuse can be reported to a new number confidentially: **800-962-2873**.

You can also call this number to speak to Someone about the problem:

Pasco Victim Advocate—727-570-9696 EXT. 259

DEED RESTRICTIONS

Reminder: The front of your home cannot be used for storage—behind your fence or in your garage is the right place.

Trailers must be parked behind your fence so they cannot be seen. This is a Pasco County ordinance as well as a Deed Restriction.

Reminder: Dogs must be on a leash when not behind a fence. Be a good "pack leader" for your pets, and keep them safe behind a fence or leashed.

Reminder: Not everyone wants to hear the bass in your car inside their houses.

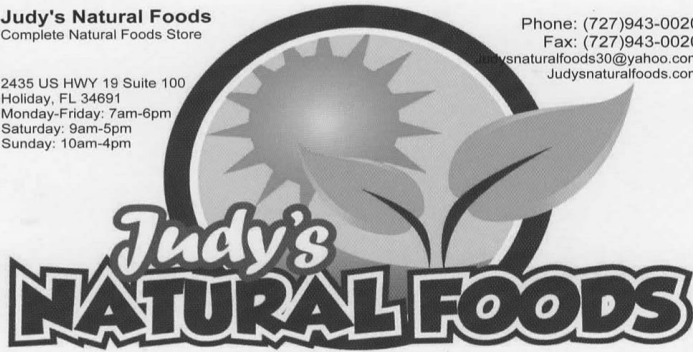

Please abide by the Pasco County noise Ordinance as you drive through the Subdivision.

***Happy Thanksgiving
to you and your
Family!***
